

We appreciate you choosing Sentry Safety Pool Fence for your pool safety needs. We value customer satisfaction above all. Our main priority is to make sure that the installation process is convenient and professional completed so it will be an effective safety barrier.

For all drill rental returns, we have included a prepaid return label either behind the invoice or inside the box. There are two easy ways to return the Weekend Tool Rental:

- 1. Drop off at the carriers local location, either FedEx or UPS.**
- 2. Call for pickup (extra charges may apply)**

Since this is a weekend rental, the kit must be returned the following Monday. If the equipment is not returned on time, additional charges may occur. Our tools are never sold and forfeiture of deposit does not transfer ownership. If for a reasonable reason you were not able to complete your installation over the weekend, you may reach out to our customer service team and request extra time in order to avoid extra charges.

For assistance on installation of the Sentry Safety Pool Fence scan the QR Code below

Once the Weekend Tool Rental is received, any temporary pre-authorization hold release will be processed immediately. Please allow up to 7 business days for your money to be available in your ballance after the refund has been processed. For any additional questions or concerns please call 877-862-7049.

**It is a pleasure doing business with you,
The Sentry Safety Pool Fence Manufacturing Team**
