

Smart Community Access

myQ® Community Monthly Subscription Plans

Don't buy what you don't need.

Our base package covers 1 entrance and 30 myQ Community App licenses. Start with this base package and upgrade to add more entrances and myQ Community App licenses anytime based on your property's needs. Provide access to extra doors, elevators, garages and more as you need them.

Monthly subscription includes:

- Cloud Database Management
- Remote Access Controls & Event Monitoring
- Real-Time Alerts
- Live Video-Stream
- 24 Hour Free Video Storage
- Property Management Software Integrations

myQ Community App allows:

- Video Calling
- Press to Unlock
- Virtual Guest Passes
- Event Logs with Video

Annual payments receive a 5% discount.

All pricing is USD and per month unless otherwise noted. Effective 09/15/22 and is subject to change. We accept monthly or annual payments via credit card or ACH. Contact us for available volume discounts.

All CAPXLVs, CAPXMs, CAPXSs, CAP2Ds and CAPACs require internet service.

CAPXLVs, CAPXMs, and CAPXSs require VoIP services by Phone.com - only approved provider for video. Unlimited voice, video calls and long distance. CAP2D and CAPAC do not require VoIP service.

Video Enabled devices include CAPXLV, CAPXM, CAPXS. Subscriptions that include video intercoms come with 24 hours of video clip storage.

myQ Community app licenses are one (1) myQ Community app license per email address.
